

# EXTERIOR SAFETY FILM on WINDSHIELD for YOUR LUXURY CARS

Good for Windy, Blustery and Sandy conditions

\*\*\*Colored or Clear Safety Films in 100  $\mu$  m

Experiencing cracking and breaking your front windshield when you driving on the road? This EXTERIOR SAFETY FILM is designed to protect your luxury cars' front windshield. Apply it OUTSIDE on the windshield, protect it from the impacts of flying stone chips, bug splatters, and minor abrasions. Also protects you from the heat, UV and IR of the sun.

HIT THE ROAD WORRY FREE & SAVE BIG \$\$\$
